Every member's voice shapes the year ahead.

This survey is for every member of the Rotary Club of Kingsport — whether you attend weekly, occasionally, or are stepping back in after time away. Your reflections help us plan meetings, projects, and fellowship that matter most to you.

1. In what ways do you feel connected to the club?

2. What makes meetings valuable to you?

3. Which aspects of meetings matter most to you?

4. Which projects have mattered most to you?

5. What would improve your experience?

6. Any final thoughts or questions for the club?
